RE: Discovery

Dear Mr. Gillis;

On 12/3/99, I was placed in isolation. The reason was relating to my phone conversation that I was having with my wife. I submitted an appeal, however, they were all sustained on all levels. I am now in the United States Court. I am requesting for a copy of that conversation, so that I may proceed with a criminal complaint. If you desire not to render this information, I will ask the court to compel you to allocate.

DISCOVERY NEEDED

1. How many grievance's Officer Fox has filed against him.
2. I need to see the policy that state's that an inmate can receive a class 1 misconduct for having excessive commissary.
3. I need to know how many misconduct hearings were conducted from 8-12-99 to 8-24-99, to determine if there was an illegitimate reason for Officer Fox not to rewrite the misconduct in the required time, which is (7) days after it has been discharged without prejudice.
4. I need the investigation report that was done on Officer Zelinski, so I will have the opportunity to discern.
5. I need to know how many grievances Officer Henning has against him.
6. I need a copy of the report that was submitted on Officer Fox and Officer Henning, when they were fighting in the inmate's dining room, Thanksgiving Day, 1999.

7. I need a copy of the letter my State Representative submitted to you requesting for my criminal background, because the D.O.C. states the only time an inmates record will be exhibited is when it is requested, and if it is allocated, and there is an incorrect statement, it would be corrected immediately. So please submit a letter to my State Representative, to correct your disassertion.

I was not incarcerated for possession of a controlled substance with intent to deliver. I was incarcerated for "constructed possession." There is a difference.

Please send me a copy of your correction immediately, so I can notify the Court that you replied at liberty, and there is no need for compement.

Respectfully submitted,

Brady Davis
